

Just in case™ you need someone to work their ass off.

INTRODUCTION

My name is Justin Sang-Ki Yi. Born and bred in Seoul, Korea, I visited Australia in 2006 for travelling and determined to chase my dream at there.

Graduating from Billy Blue, College of Design, I currently work for Interbrand Seoul as a brand designer. I am passionate about clean, engaging and meaningful design and typography. When I am not working you will find me playing with my son, watching football, or dating with my wife.
